

Christmas Party details

The Vets' now annual Christmas party is at the Centre on Saturday December 21st, tickets priced £5.

Remember, this is not exclusively for Vets only, so not only bring yourselves and your partner(s) along, but also your mates (that's friends, not condoms, Bainbridge) and your mates' mates and make it not only a great night out but potentially a profitable one for the club.

The cabaret is taking shape and will feature Andy Carman reprising his role in the Over Players' farce in September, in which he played the outrageously camp Bobby Franklin in 'Run For Your Wife'. He will star in a sketch with 3 others playing Ali G, Michael Jackson and Bobby's 'close personal friend' Cyril.

The Vets' Choir will also be appearing and volunteers are now sought to sing 2 songs, both with new lyrics, specially written for the Vets. The songs are Village People classics YMCA and Go West.

Finally, the professional element to the evening is the return of the disco from last year – G Force.

All this for just £5! What more could you want?!

Tickets from the Centre, tel 206600. But hurry, the word on the street is that this is the event of the year and touts could be snapping them up very soon.

Prague Trip

Attached to this newsletter is a Chairman Bill Original Form entitled "Prague – A Cultural Tour of the Museums and Art Galleries".

Please fill it in and return to Sir William by Thursday 12th Dec (this year, not next), so that accommodation and, more pressingly, flight arrangements can be made.

Chris Ramsdale quits

Following the sending out of the membership renewal form recently, Chris Ramsdale has decided not to continue as a member of the Club. His reason was simply that he is not available enough on Thursday nights due to work commitments and nothing to do with Handley's tackling.

Baby Briggs makes debut

Congratulations to ace goalie Briggsy whose partner gave birth to Daniel on Nov 14th. Best wishes from all in the club (pardon the pun) to mother and baby. Rumours that his first squawk was "Come on you blue boys – eh" are not confirmed.
