SQUADS FOR JUNE TOURNAMENT TO BE ANNOUNCED SHORTLY

Having been completely inundated with names of members wishing to play in the June tournament, the committee will be selecting two squads of nine very shortly.

Those who are currently confirmed as being involved are (in alphabetical order):

- | | |
|----------------------|-------------------|
| 1. Bob Bainbridge | 8. Bill Handley |
| 2. Sean Baker | 9. Andy Mugeridge |
| 3. Andy Carman | 10. Ian Purkiss |
| 4. Chas Cook | 11. Geoff Rule |
| 5. Peter Dean (gk) | 12. Ian Sutton |
| 6. Richard Dickinson | 13. Garry Swain |
| 7. Dave Gordon (gk) | 14. David Tassell |

This means there are four more players to be found. Any member who would still like to play, please notify Sean Baker (230963) by April 30. After this date we shall send the boys round, twist arms, call in favours etc etc.

SOCIAL NIGHT

11th May – Greyhound Racing

Could anyone who wants to go on a greyhound racing night in Peterborough let Garry or Dave Gordon know by Friday April 27?

Cost is £10, which includes a bite to eat and a couple of pints; transport courtesy the Vets will be laid on.

This will also be a chance to wave a tearful farewell to Dave 'Dinky Doughnut' Armstrong, who is being sent to Coventry.

Committee re-affirms 9-a-side rule

Following the debacle of Thursday 5th April, where, despite the presence of 6 of the 7 committee members, the previously agreed limit on Thursday night numbers was ignored, the committee at their last meeting agreed unanimously that in future, come hell or high water, 9-a-side will be the maximum with rolling subs if necessary. In the event of 21 or 24 being present we will play a 3-team triangular system.

Anyone who disagrees can put themselves forward as a committee member at the next AGM and make out the case for a good game of football between 2 teams of 10 on a half size pitch

Over Sports FC Dinner Community Centre May 12

Anyone wishing to attend this legendary shindig, and who doesn't mind sharing a table with some fellow grizzled old vets, let Bill Handley know.

HUNGARY UPDATE

We shall hold a meeting for all those going on the Hungary trip on **Thursday 10th May** in the Community Centre after our usual kick-about.

This will hopefully ensure that everyone knows what's going on and will hopefully include up-to-date information regarding the foot-and-mouth situation, which the Magyars are understandably nervous about.

FRIENDLIES UP-AND-COMING

A number of friendlies are in the pipeline for May – contact Chas for details.
