Carlton-Palmer Awards Night

This year's Carlton-Palmer's takes place on Friday October 29. A coach will pick everyone up from outside the Exhibition at 7pm sharp. We have promised the Railway Vue that we will be there by 8.30 so as usual some of Histon's other hostelries will also 'benefit' from our custom. In exchange for arriving half an hour earlier, the 'Vue will provide both curry and chilli and this will cost the Club £5 per head. Please let Sean know by October 22nd if you are coming to this glittering occasion.

This year's awards will be chosen from the following suggestions:

The You Fat Bastard Award (nominations: everyone)

The Gillette Award (nominations: Sean, Bill H, Dicko, Andy Carman)

Ave It Award (to be selected by Briggsey based on last season's Fantasy League stats)

John Wayne Quiet Man Award (special Chairman's award)

Genko Award

Bunjee Jump of the Year

Biggles Award (hm, wonder who that might be)

Wet T-Shirt Winner

Future of the Vets Award

Table Dancer of the Year

Rookie of the Year

Quote of the Year

Marie Stopes Award for Family Planning (to be returned intact by Andy Buck)

VIEW FROM THE BENCH

Chairman Bill may well have a view but there's no room for it this edition, so you will all have to wait a bit longer for his next pearl of wisdom.

OVER in Millen update

Chairman Bill waxed particularly lyrical in the last edition about Ian Purkiss's elaborate attempt at an overhead. Regular readers will not be surprised to learn that not only was this a bit of an exaggeration on Chairman Bill's part, but Purky wasn't even playing the match.

OVER v HASSELT (Belgium)

Following is edited version of emails exchanged since trip by Hasselt between Over Secretary and Hasslet organiser-in-chief:

Sean: Hi Rik

Hope you are well. Just a note to let you know that the latest edition of the Old Git is now complete and has just been posted on our website along with the photos you took plus some others that we took. We have our tournament this Saturday so wish us luck!

Rik: Good luck with the tournament. You'll need it after three losses against Belgian teams :-). . . . Remember you're welcome in Hasselt. Just let us know when you would like to come and we'll arrange something for you as you did for us and we'll make sure the taxi comes at the right time. By the way, we put all our pictures on the net. You can watch them and download them from this URL: <http://rik3925.fotopic.net/>

Sean: Don't forget we have also lost to Hungarian, Irish and Czech teams (although we did beat the Danish). I was particularly interested in photo P1010040.JPG - does this show a push on our player?? Should your second goal have been disallowed?? I'll have a word with the referee!

Rik: Pushing a player is not as bad as sending the taxi one hour late and making us drink more beer before the game!

Disclaimer:

The views expressed in The Old Git are not necessarily those of Over Veterans Football Club. Indeed they could only be regarded as the mindless ramblings of a blithering idiot (and his contributors).
